

Adam Ferguson: History, Progress and Human Nature

Editors: **Eugene Heath** and **Vincenzo Merolle**

Increasing numbers of scholars have recognized Ferguson's contribution to Enlightenment thinking, but no collections of scholarly essays have been devoted to him. In this, the first of two related monographs, essays range across all of Ferguson's works to investigate his engagement with contemporary events and his contributions to our understanding of history and human action.

Adam Ferguson: Philosophy, Politics and Society

Editors: **Eugene Heath** and **Vincenzo Merolle**

In these essays, scholars analyse Ferguson's philosophical, political and sociological writings and the discourse which they prompted between Ferguson and other important figures such as David Hume and Adam Smith.
