

The Enlightenment World

Political and Intellectual History of the Long Eighteenth Century

This series features monographs that take an innovative and challenging look at the political and intellectual history of the Enlightenment period.

The richness of the Enlightenment experience makes it a significant topic for study. It had a profound impact on nearly every aspect of life during the long eighteenth century and many of its values are familiar to modern society. Some of the key themes that this series embraces include the scientific revolution; philosophical origins and progress of the Enlightenment; high and popular culture; the political impact of the Enlightenment; and its comparative impact in a broad European context.

Readership

The broad implications of the Enlightenment movement means that works published in the series will have a multi-disciplinary approach. Scholars in History, Political Studies, Political Science, Political Thought, English Literature, Religion, and Philosophy will find the works of interest.

Series Editor

Michael T Davis, University of Tasmania

Editorial Board

David Armitage, Harvard University

Jack Fruchtman, Jr, Towson University

Iain McCalman, University of Sydney

Jon Mee, University of Warwick

Paul A Pickering, Australian National University

Hideo Tanaka, Kyoto University

Reviews

‘an important contribution to our understanding of not only deism but also the religious climate of eighteenth-century England ... essential reading’

English Historical Review on *Enlightenment and Modernity*

‘full of fascinating insights into a hugely diverse number of places, with an important introductory essay that articulates the complexities of location’

Coleridge Bulletin on *Romantic Localities*

‘provides a shrewd and nuanced analysis of Scotland’s political culture’

English Historical Review on *The Scottish People and the French Revolution*

‘the most useful work of reference on the subject in decades.’

Times Literary Supplement on *The Sublime Invention*

‘an accurate, even moving, and deeply productive vision of Godwin that compels from slight to massive revisions of the ways that scholars have come to view him ... epoch-making.’

The Wordsworth Circle on *William Godwin and the Theatre*

‘a well-written and scrupulously researched scholarly monograph which will become essential reading for both academics and students in the field’

BARS Bulletin & Review on *Writing the Empire*

Forthcoming Titles

Robert and James Adam, Architects of the Age of Enlightenment

Ariyuki Kondo

At the forefront of the move away from the dominant school of Classicism were architect brothers Robert and James Adam. Kondo's work places them within the context of eighteenth-century intellectual thought.

e 978 1 84893 046 9

The Spirit of the Union: Popular Politics in Scotland

Gordon Pentland

Pentland argues that a thorough evaluation of this crucial yet little understood period in Scottish history will make a significant contribution to our understanding of popular politics in early nineteenth-century Britain.

The Enlightenment World: 21
256pp: 234x156mm: 2011
HB 978 1 85196 153 5: £60/\$99
e 978 1 85196 062 0

William Godwin and the Theatre

David O'Shaughnessy

This book aims to provide the first comprehensive discussion of Godwin's plays, and to consider the notion of theatricality in relation to his politics.

The Enlightenment World: 20
