

## INDEX

- abolition of cotton duties, 55  
Abrahams, Lionel  
    gold exchange standard for India, architect of, 167, 169  
Acworth, W., 177  
Acworth Committee, 1921, 176  
    in favour of state financing and ownership, 180  
Afghan and Persian railway projects, differences, 91  
Afghan independence, railway materials as direct threat, 87  
Afghan–Indian frontier communications, 83  
Afghan rebellion suppression, 89–90  
Afghan War, second, 67–8, 76  
    financial burden, 19  
Afghanistan, relations with, 7, 85–6  
Afghanistan and Indian border  
    North Western Railway, map, 192  
    Scinde Punjab and Delhi Railway, map, 193  
agricultural and mineral resources, failure to exploit, 108  
agricultural exports from India, 40  
    consensus support, 41–2  
agriculture and trade focus, 9  
for poverty relief, 52  
American Bridge Building Company, large orders, 28  
American Civil War, influence on rail strategy, 73–5  
Amir of Afghanistan, British fear of upsetting, 87–8, 94  
Andrew, William Patrick, 68–71, 89  
Anglo Russian accord, 1907, 184  
Anglo-Indian ‘Traders of Calcutta’, 147  
arms race focused on railway construction by the British in India, 75–6  
arms to the border, money wasting, 87  
Army Regulation Act of, 1871, 69  
Assam–Bengal railway, 150–8, 177  
    annual deficit of £165,000, 151  
    benefit to shareholders till, 1942, 158  
    failings of laissez-faire finance, 22  
    financial burden on Indian taxpayers, 157  
    financial viability of investment programme, 152  
    inhospitable territory, 186  
    map, 196  
    share issue launch, 1892, 155  
Baghdad Railway and Germany, 68, 90–94  
balance of payments deficit, India with Britain, 36  
Balfour, Arthur James, first Earl, Prime Minister, 92–3  
    on benefit of Indian railways as defence, 74, 93  
Barbour, Sir David, Indian Civil Service, 11  
    consultancy arrangements, 182  
    Indian in railway directorship, 176  
    on Mackay Commission, 167  
Baring, Evelyn, 19  
    advisors to Bengal Central, 98, 99, 113  
    financial statement of, 1881, 20  
    misrepresentation of company’s prospects, 99  
Baring/Rothschild family, short-term investments, 179  
Baring, Thomas George, second Baron Northbrook  
    Viceroy of India, 48, 51  
Belgian locomotive manufacture, for famine relief purposes, 26  
Bell, Horace, railway engineer and government advisor, 22, 63

- Bengal and Bombay Chambers of Commerce  
trade-related business from railway, 104
- Bengal-Assam Railway, Land and Mineral Company  
£3 million capital issue, 154
- Bengal and North Western Railway Company (Bengal NW), 22, 101, 102  
buyout price, 100  
disappointing early performance, 179  
failure of, 103  
float of non-guaranteed railway, 100–3  
Rothschild sponsorship and withdrawal, 103, 168  
share price fall, 100–1
- Bengal Central Railway Company, 130  
emergency fundraising, 100  
finance, 18, 22, 98
- Bengal Chamber of Commerce, 169  
pressing needs of Bengal and Assam tea planters, 34  
rail company organization, 35
- Bengal coal transportation, EIR overcharging, 147
- Bengal famine, 1874, 50  
cost estimation, 45
- Bengal-Nagpur Railway Company, 103–9  
budget, 107–8  
facade of private enterprise, 172  
failings of laissez-faire finance, 22  
failure to prevent famines, 186  
famine railway, 50–2, 104  
'insurance against famine', 104  
legacy of, 109  
price increase acceleration, 57  
stock, 24–5
- bimetallism, Naoroji's scepticism of, 162
- Bird and Company, coal mining interests, Jute mills, 167
- birth rates, collapse of, 46
- Bisset, Sir William, 50  
consultancy arrangements, 182
- Black and Caspian Seas connection, Transcaucasian network, 82
- Bolan Pass, narrow-gauge railway, 84, 85
- Bombay Chamber of Commerce, 146, 169  
rail company organization, 35
- bridge building, demand for government support, 118
