

INDEX

Note: Migrants' places of origin or destination are not listed separately, but are grouped together at the level of present-day provinces, regions, countries, continental regions or continents respectively. Place names are listed separately only where they refer to mentions other than migrants' places of origin or destination.

- Academy of Fine Arts, 158, 170–1, 265n90, 274n59
- Africa, migration to and from, 116, 171
